AVIDXCHANGE FOR
MICROSOFT DYNAMICS GP

Bring your AP process more options, maximum efficiency and minimum risk of fraud

As companies expand, they face challenges scaling operations and financial business processes. CFOs and controllers are often aware of pain points in accounts payable (AP) but lack the technology to remedy issues. Organizations need visibility and control of internal processes and a seamless integration from your accounting system to accounts payable software. We know how important it is for your accounting system to remain your system of record, which is why we've integrated with best-in-class solutions like Microsoft Dynamics GP.

The Solution

AvidXchange is the market leader in AP and payment automation services and helps Microsoft Dynamics GP users incorporate an easier, faster and more secure way to process invoices and make electronic payments. AvidXchange enables our clients to log on anytime, anywhere and gain immediate access to all of their payables data. Additionally, AvidXchange offers Microsoft Dynamics GP users payment solutions that help them discover how to transform their payables department into a profit center through a revolutionary rebate program. With AvidXchange, you're less than 45 days away from removing the paper and enjoying a more efficient payment automation experience.

Benefits of AvidXchange for Microsoft Dynamics GP

1. Reduced processing costs

✓ Leverage a unified solution for both invoices and payment

✓ Eliminate the costs associated with paper invoices and checks

2. Scalable growth

✓ Increase invoice and payment volume without hiring additional personnel

3. Improved control and visibility

✓ Offer suppliers flexible payment options, including virtual card, enhanced ACH and check

✓ Configure workflows to your current processes

✓ Gain 24/7 visibility on invoice and payment statuses, including invoice images

" *Our biggest motivation for automating was to save time and streamline our processes. We used to do everything on paper, and now we're able to save a lot of time with having to create requisitions send it off for approval. Now things are properly coded to our correct GL accounts."*

– Vicki Gobin, Financial Disbursement Analyst at Andrus
